Dear Sir / Madam,

Initial Development Proposals – Adams and Priory Farm, Widford

I am writing to you on behalf of Bellis Homes, a housing developer based locally in Harlow. Bellis are in the process of drawing up proposals for the residential redevelopment of the above site and are considering how this could provide the type and size of home (including affordable homes) that the village needs. Our current plan is to provide smaller homes suitable for young people or those looking to downsize, as well as some bungalows.

We will shortly be holding a drop-in session so that neighbours and local residents can meet the project team and view our draft proposals for the site. We are keen to hear people's feedback on our proposals and what kind of housing is needed in Widford, as well as what community facilities could be supported by the development.

This session will be held:

On: Thursday 20th June
At: Widford Village Hall, Bell Ln, Widford, Ware SG12 8SH
Between: 5pm and 9pm

If you are unable to attend on the event on the 20th June but would like to speak to a member of the team, or have any questions in the meantime, you can contact me by emailing widford@glhearn.com or by calling 0344 225 0003.

Yours sincerely,

Alphie Burgess
