

Thank you for reporting a highway fault on 28/08/2019 8:14:38

Your reference number is: **401000736453**

Fault type: VERGE ENCROACHMENT ONTO FOOTWAY / CYCLE TRACK

Your description: The footway between Levenage Lane and Martlets is impeded by debris and detritus, reducing the width to less than 0.5m in places (photo No.1 attached). It is also impeded by vegetation growing over the footway (photo No.3 attached). The surface of the footway is also broken up in places (photo No.5 attached). This is a very busy road and the condition of the footway puts the safety pedestrians at risk.

Location: The footway on the eastern side of the B180 in Widford, between Levenage Lane and Martlets., Hunsdon Road, Widford

We use what you have told us to determine how quickly we will deal with the fault, considering the severity of the issue.

We will email you to let you know the progress of your fault.

Highways fault 28/8/2019

The footway on the eastern side of the B180 in Widford, between Levenage Lane and Martlets.

The footway between Levenage Lane and Martlets is impeded by debris and detritus, reducing the width to less than 0.5m in places (photo No.1 attached).
